**The Kalamunda Night Market is a concept developed by the Kalamunda Chamber of Commerce (KCC)** with its main aim to bring increased potential customer numbers to the businesses of Kalamunda and to facilitate a family friendly night market for the benefit of the local community and visitors to our City.

**The inaugural night market took place on Friday 23 October 2015 in Central Mall Kalamunda** and attracted a crowd of **between 6 to 7 thousand attendees**. A total of 65 stallholders attended including 18 food options and four and a half thousand meals were served. Considerable trade spilled over to neighboring businesses with all reporting a significant increase in both patrons and takings.

**As a result of this successful first Kalamunda Night Market the Kalamunda Chamber of Commerce scheduled a series of monthly night markets during the spring and summer months.** This proved to be a success and in consultation with the City of Kalamunda, the KCC extended the footprint of the market to include the whole of Central Mall adjoining park and rotunda and closed off Haynes Street to traffic. This gave the public greater space to enjoy the market and entertainment.

**The 2015 – 2016 and 2016-2017 Night Market Series proved to be successful market, with each market drawing over five thousand people to each event, 40 food vendors, over 40 artisan craft stallholders and 10-15 local businesses and community groups hosting regular stalls.** The success of our night markets was also celebrated by being listed as one of the best 6 Perth Night Markets on Perth's Urban List on the 22 February 2016.

**Businesses in around the footprint in central Kalamunda and beyond are thrilled with this initiative** and keen to support the Kalamunda Night Market by remaining open throughout the event thus potentially benefitting from the increased foot traffic.

**Kalamunda Chamber of Commerce is offering businesses of all sizes a range of generous sponsorship packages (see attachments) to support this potential flagship iconic event planned to put Kalamunda firmly on the map.**

**KCC has a proven track record having established the award winning Kalamunda Farmers Market held every Sunday morning that attracts in excess of two thousand attendees weekly.**

Kalamunda is a unique venue for a night market with its small country town welcoming ambience amongst the gumtrees of the Perth Hills; a different feel and pace of life on the coastal plain.

The Kalamunda Chamber of Commerce is dedicated to developing a dynamic Kalamunda Night Market experience, and is offering the opportunity for your company to become part of this important and significant initiative, and to benefit considerably from an affiliation with its carefully planned success.
